Register your home security camera on SCAN

The Security Camera Analytical Network (SCAN) maps the location of registered security cameras across Bernalillo County to help quickly identify locations of cameras that are near crime scenes. This system DOES NOT tap into your camera. You would be asked if your camera recorded evidence and it will be your choice to share it. You can help police and prosecutors connect criminals to crimes and build stronger cases.

Sign up at www.cabq.gov/SCAN.

Please support your Mossman Neighborhood Association

Pay annual dues Volunteer

We accept donations of all amounts but request \$7 per household annually. We are all volunteers, but donations pay for newsletter printing, Summer neighborhood Fair, annual meeting and other neighborhood supported get-togethers.

Our treasurer is **Charlotte Mobarack**. Her phone number is 615-7228 and her mailing address is 3425 California NE. Charlotte can provide you with a receipt for your contribution.

Welcome Berna Facio Professional Development Facility

We are very excited to have the Albuquerque Public School's modern training facility at the corner of Louisiana and Comanche. The dedication was on Saturday morning, April 27 and the building was open to the public to explore.

The steel and glass building has state of the art acoustics in a central meeting hall for up to 500 people and nine breakout rooms equipped with cutting edge technology.

This is a wonderful replacement for the aging Montgomery School building, ugly portable buildings, blowing sand and giant tumbleweeds.
